INTRODUCTION

Colm Joseph Gardens is a multi-award-winning landscape design studio. We imagine and realise beautiful, meaningful outdoor spaces loved by us and the people who use them, with artistry and care for the process, people, and nature.

We are currently seeking talented designers to join our growing studio team.

MAIN PURPOSE OF JOB

As Garden Designer / Landscape Architect you will support the design and delivery of our high-quality landscape projects, as well as the development and growth of the design studio itself.

MAIN DUTIES AND RESPONSIBILITIES

- Collaborate on the development of landscape design concepts and proposals
- Create 3D CAD models and presentations of the studio's designs
- Produce technical design information e.g. specifications, scale drawings, planting plans, construction details, etc.
- Attend site visits and meetings as projects require, representing the company with professionalism
- Client and collaborator communication and meetings as required, including handling new client enquiries

KEY SKILLS AND QUALIFICATIONS REQUIRED

- Degree / Diploma in Garden Design or Landscape Architecture, or equivalent professional experience
- Minimum 1-2 years work experience in residential landscape design, experience within other design studio(s) preferred
- Strong software skills: proficiency in SketchUp, Vectorworks 2D, and Microsoft Office (Excel and Word) is essential; proficiency in Adobe Photoshop and InDesign (or Affinity Publisher and Affinity Photo) is desirable
- Proven ability to develop creative design proposals with clear and persuasive design presentations
- A sound foundation of landscape construction knowledge, including design of bespoke hard landscape elements
- A strong plant knowledge with creative and practical planting design skills
- Relevant project management and coordination experience
- Current and full UK driving licence and own vehicle, as the job requires travel to site and other in-person meetings
- Eligibility to work in the UK, with fluency in spoken and written English

PERSONAL SKILLS AND ATTRIBUTES REQUIRED

- Highly motivated and passionate about garden and landscape design
- Excellent attention to detail and drive to produce high-quality work
- Excellent communication - including graphic, verbal and written - and time and workload management skills
